

How to Revise...

Word Games

- Create a tongue-twister to sum up key ideas from a topic:
Macbeth murdered many men madly.
- Create a poem or story using phrases and ideas that need to be remembered.
- Use a mnemonic: Richard Of York Gave Battle In Vain.
- Create a crossword puzzle of interlocking words you need to remember.

Mind Maps

Create an illustrated poster summarising all the information you need.

- Start with a large piece of paper.
- Use a selection of words and diagrams.
- Use colour, shapes, symbols, pictures and cuttings to bring the information to life.
- Use lines and arrows to connect ideas.
- Stick the learning map to your wall/door - anywhere it can be seen easily and often.

Clock Sequences

A clock face can help you sequence key ideas. Remember different topics as hours of the clock.
