

Active Citizenship

Citizenship does not just take place in lessons. You will develop various citizenship skills by taking part in different activities in the school, local, national or global community. We call this Active Citizenship.

Look at the table below and tick off anything you have taken part in and then get your teacher to confirm this.

Activity	Tick Box	Date Year	Teacher Signature
Took part in assembly			
Member of year/College council			
Completed a fund raising activity			
Helped at parents' evening			
Helped at a club/sports practice			
Shared ideas and contributed to the improvement of the College			
Coached other students in sports			
Taken part in debates			
Supported and assessed the work of other students			
Peer Support member			
Voted in a mock/College election			
Helped organise an event in College drama/art			
Worked with members of the Community, Police, Connexions			
Worked with primary children			
Taken part in a College business and enterprise project			

These are just a few of the activities that you may take part in. Can you think of any more?
